The client will supply contents for each of the pages through the Client Worksheet. Website Design Agreement and the Client Worksheet both signed with initial 50% deposit constitute authorization to begin design project once received by Castle Site Design. Balance of fee will be paid in full on website completion. Minor changes (not to exceed total 45 minutes of regular billing time) during the first ten days are included in package price.

Client unconditionally guarantees that the client owns all elements of submitted text, graphics, photos, and trademarks or client has permission to use the elements. Castle Site Design will be held harmless from any claim or suit from the use of such elements furnished by the client. If client does not own graphics then a release must come from third party.

Castle Site Design retains full ownership of Site until the total amount of agreement is received. With agreement paid in full, retaining copyright and intellectual property rights, Castle Site Design will upload Clients' Website to appear on the World Wide Web.

Additional items not specified in this agreement must be authorized via e-mail or a written addendum. All items specified in this agreement and client worksheet will be honored for 45 days after which a new agreement will be required.

Payments of fees are on the Pay Center for credit cards and Pay Pal.
Checks can be accepted and made payable to:
